Learning for the Future!

Welcome to JCM Crèche & Pre School

Dear Parents,

We are delighted to welcome you and your child to the JCM family. At JCM, we are committed to creating a warm, nurturing, and engaging environment where every child feels safe, valued, and inspired to learn. We believe that the early years lay the foundation for a lifelong love of learning, curiosity, and confidence.

Our approach is child-centred and play-based, drawing on best practices from Reggio Emilia, Montessori, and Waldorf. We focus on developing the whole child—academically, socially, physically and emotionally, whilst always celebrating each child's individuality. Our passionate educators work closely with families to build strong partnerships and a supportive school community where every child can thrive.

This Parent Handbook has been designed as a helpful guide to support your journey with us. It outlines our school policies, daily routines, and expectations, and provides insight into how we work together to create a meaningful and enriching learning experience for your child.

We encourage you to read through it carefully and keep it as a reference throughout your time with us. Should you have any questions or require further support, please don't hesitate to reach out.

We look forward to a wonderful period of learning, growth, and connection with you and your child at JCM.

Warm regards,

Michelle Smith

Our Curriculum

Our Early Childhood program follows a play-based, child-centered approach with structured and unstructured learning activities. We incorporate elements from research-backed early childhood education frameworks, including:

Reggio Emilia

A child-led journey of discovery where curiosity, creativity, and relationships drive meaningful learning.

A Waldorf education nurtures the whole child—head, heart, and hands—through creativity, imagination, and a deep connection with nature woven into meaningful, rhythm-based learning experiences.

Our curriculum focuses on the following key developmental areas:

Social & Emotional Development

Language & Literacy

Early Math & Problem-Solving

Attendance & Absence Policies

Regular attendance is essential for a child's social, emotional, and academic development. Establishing a consistent routine helps children build a sense of structure and responsibility while making the most of their preschool experience. Below are our policies regarding attendance, absences, and tardiness.

Attendance Expectations

At JCM, we value the uniqueness of every child and family and offer flexible attendance options; however, consistency and routine are essential for your child's wellbeing and learning. It is important that children arrive with enough time to play, settle, and ease into the rhythm of the day before our formal start at 9:00am. Late arrivals can be disruptive to both your child and the class, so we ask for your support in ensuring a calm and timely start each day.

Reporting Absences

- Parents must call, whatsapp or email the school office before 8:00 AM to report an absence.

Planned Absences & Family Vacations

- We understand that families may have pre-planned trips or obligations.
- Parents should notify the school at least two weeks in advance if they plan to take their child out of school for an extended period.
- Tuition remains fully payable during extended absences to hold the child's spot in the program.

Health & Wellness Policies

At JCM Schools, we prioritise student health and well-being. Our policies help create a safe, clean, and supportive environment for all children.

Immunization & Health Records

A current vaccination record is required upon enrollment and updated annually.

Parents must inform Jardim das Crianças of any medical conditions (acute or chronic) that we should be aware of, including allergies.
